

## **FY24 Louisiana Project Grants**

### **CHANGES IN PROJECT SCOPE– ATTACHMENT A**

#### Instructions:

- Download this document and save it to your computer. Name the file "Attachment A".
- Fill in the section below detailing any changes to the scope of the project from what was in your original application, now that you know the grant award you will receive.
- When this form is complete, upload the document to Submittable in the appropriate file upload section.
- Please note, this form is optional and may be disregarded if there are no changes to be made.

Below briefly describe any changes you are proposing from the original narrative given in the grant application. For example, any changes to the personnel or artists involved, as well as any changes to the actual services to be provided.
